

BARN DECORATING CONTEST

The 2022 FAIR THEME is:

A Little Piece Of Fairadise!

The Summit County Fairboard is offering a barn decorating contest for each Jr. Fairboard Barn. The barn can have inside and outside decorations and must follow our theme.

We are going to ask the public judge and a trophy will be awarded to that barn on Sunday and the Trophy will be displayed in the barn the following year till it is passed onto the next winner.

How they will judge - The Fairboard with the Jr. Fairboard Fundraising Committee will have cut out animals at each barn asking fair patrons to give their change to vote for their favorite barn. The barn with the most change by Saturday nights count will win the contest. The monies raised for each barn will go to that Jr. Fair Department and be used for things like new cages/stalls, awards, fair supplies, ect.

We realize that there are multiple 4-H clubs in multiple barns but many of you already decorate your stalls, cages, inside and outside of the barn areas. We want to make this a fun and annual tradition.
